Hi Harriet,
Yes, EPA would have sent the Traditional Knowledge report from Stephen Braund & Associates awhile back. The other tribes were interested and I wanted to make sure that Tyonek was okay with sharing it before EPA did so. I can ask Jamey to resend you the report, I don't have it.

Thanks! Tami

Hi Tami,

What was it you asked me to check on I had it written down and during the typing of my report I misplaced I think it was TEK is that an acronym for something with more info, I will look for it and how long ago did you say it was mailed.
Have a nice day.
